

## RESUME 2009 **studio.bna**

The design team of *studio.bna* is directed by Brett W. Nave and Kelley E. Bishop focusing on contemporary residential and commercial design with a particular interest in sustainable, ecological, and regional work. Each team member is versed in design/build, thus combining detailed construction knowledge with the highest level of design.

Brett W. Nave, principal architect	Auburn University School of Architecture, BArch 1994
Kelley E. Bishop, principal architect	Auburn University School of Architecture, BArch 1994
Nicholas Fulton, architect. LEED AP	Montana State University, MArch, 2004
Jamie Slagel, design team	Montana State University, MArch, 2006
Justin Alexander, design team	Montana State University, MArch, 2007
